Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner stated that claims 65 and 74 were allowable and that claims 77-79 would be allowable if they depended only from claim 74. The attorney declined an examiner's amendment to put the claims in condition for allowance and requested that an office action be mailed. The attorney and examiner disagreed as to whether GIMENO's protein does teach the polypeptide recited in claim 75. .
